President's Message

MIGHTY OAKS FROM LITTLE ACORNS GROW — and we hope this will be the comment regarding future International Highland Games held in Seattle. Seattle's first Highland Games last year were started purely on the faith that the citizens of Seattle and neighboring cities across the border would welcome the opportunity of supporting an organization founded for the purpose of carrying on these fine Scottish traditions and making them an annual civic event.

This year it is my privilege to announce that an alliance has been formed with Vancouver and Victoria to produce a new organization called the Pacific Coast International Highland Games Association. The purpose of this new organization is to bring our three games closer together by sponsoring Pacific Coast championships. This year you will be able to witness the finals in Professional Piping and Professional Dancing. The competitors in these events have competed in Victoria, in the semi-finals in Vancouver, and the winners here today will have a just right to carry home with them the titles of Pacific Coast Champions in Piping and Dancing. These two trophies will be presented tonight at the Tartan Ball to which the public is cordially invited.

The Association wishes to thank the many friends and competitors from Canada, and all of our local organizations and supporters for making these games of 1948 possible for your enjoyment.

Jack Ironside
